

From Incheon International Airport

By Subway (1h30- 3,950 wons)

You can take the airport railroad (AREX) from Incheon International Airport to Gyeyang. Then transfer to Incheon subway line. Stay in the subway about 50 minutes until you get to Central Park station. Go to exit number 4 and follow instructions given in our map.

By Bus

Outside the Arrivals floor of the airport at gate No. 9B, you can take a limousine bus, or bus No. 303 to Songdo International City. The fare for the bus from Incheon International Airport to Songdo International City is KRW 6,500. In Incheon, the fare for a city bus is fixed at KRW900.

By Taxi

Taxi Stands are located directly outside gates 5C-8C. The basic fare for a taxi starts at KRW 2,400 plus the fare for the travel distance and time. Visitors taking a taxi will also be expected to shoulder the highway toll costs. The cost of a taxi trip from the airport to EAAFP is approximately KRW 40,000. You can pay a taxi fare with either cash or credit card.

From Seoul

A number of options may be explored when traveling to EAAFP from Seoul

By Subway

From Seoul Station in downtown Seoul, catch the Line # 1 Subway heading south toward Incheon. Stay on the subway for approximately 50 minutes, until you arrive at Bupyeong Subway Station. Transfer to the Incheon Subway Line (Incheon Metro), and take the subway heading south toward the International Business District. Stay on the subway for approximately 30 minutes, until you arrive at **Central Park Station**, your final destination. Proceed to EXIT # 4 and go to G-Tower where you will find EAAFP (3fl.). Cost of traveling by subway is approximately KRW 1,800.

By Bus

From Gangnam Station EXIT 3, catch Blue Inter-city Bus M6405, which will take you to Central Park Station in Songdo, Incheon. Travel time is approximately 1 hour. Cost is KRW 2,400.

By Taxi

Taxi may be caught anywhere within Seoul. Though you may negotiate a flat rate with the driver, the basic fare for a taxi starts at KRW 2,400 plus the fare for the travel distance and time. Visitors taking a taxi will also be expected to shoulder the highway toll fees. The cost of a taxi trip from Seoul to EAAFP is approximately KRW 40,000 - 50,000. You can pay a taxi fare with either cash or credit card.
