

## Flyway Network Sites: Sites in Thailand

EAAF084

The map displays the geographical context of the flyway network sites in Thailand. The green shaded region represents the flyway network, which includes Thailand and extends into neighboring countries. The site EAAF084 is specifically located in the western part of Thailand, near the border with Myanmar. The map also includes a scale bar indicating distances up to 400 kilometers and a north arrow for orientation.
