TENTH MEETING OF PARTNERS TO THE PARTNERSHIP FOR EAST ASIAN – AUSTRALASIAN FLYWAY Changjiang, P.R. China, 10-14 December 2018

- At MoP5 (Siem Reap, Cambodia 2010), guidelines were adopted for the sponsorship of participants to future MOPs (Agenda item 6.3);
 - a) from Country Partners, WG or TF requiring financial support;
 - b) from potential Partners.
- At MoP10, the Secretariat provided sponsorship to representatives from:
 - 30 Governments
 - 13 WG and TF members
 - 6 Inter government organizations
 - 1 Technical Committee
 - 1 NGO
- With experience since MoP5 and the growing request for financial support to attend MOPs, there is now a need to update the guidance for sponsorship.
