Q1

Name of Reporting Group

Viet Nam

Q2 National Governments (Govt)

Reporting Group

Q3

Designated EAAFP Focal Point

Name and title	Dr. Nguyen Xuan Dung
Affiliation	Nature and Biodiversity Conservation Agency
E-mail address	xuandung.bt@gmail.com
Telephone	+84904392475

Q4 Respondent skipped this question

Additional Designated EAAFP Focal Point (Optional)

Q5 Respondent skipped this question

Additional Designated EAAFP Focal Point (Optional)

Q6

Report compiler

Name and title	Truong Quynh Trang
Affiliation	Nature and Biodiversity Conservation Agency
E-mail address	quynhtrang.nbca@gmail.com

Page 3: Reporting on the implementation of the EAAFP Strategic Plan 2018 - 2022

Q7

RQ1. (Govt) Do you have a publicly accessible list of internationally important sites for migratory waterbirds in your country? If yes, please provide the web link or the reference in the below box. If not, would you like assistance from other Partners to develop such a list (please let us know your opinion in the box right below)?

Yes,

Additional information:

The National Biodiversity Database System (NBDS)

Q8

RQ2. (Govt) Have any additional internationally important sites for migratory waterbirds been identified in your country (for background, see EAA Flyway Network Sites Overview Report 2013)? If yes, please provide details on these sites.

Yes,

Additional information::

Xuan Thuy National Park/Ramsar Site; other potential important wetland sites.

Q9

RQ3. (Non-Government Partners) Have you documented any additional internationally important sites for migratory waterbirds in the EAAF (see EAA Flyway Network Sites Overview Report 2013)? If yes, please provide details on these sites.

Respondent skipped this question**Q10**

RQ4. (Govt) Have high priority candidate sites been identified for potential nomination to join the Flyway Site Network? If yes, please provide details on these sites. If not, would you like assistance from other Partners?

Yes,

Additional information::

Xuan Thuy National Park/Ramsar Site

Q11

RQ5. (Govt) Have any additional sites been nominated for the Flyway Site Network since MoP10 (December 2018)? If yes or planned, please provide the names of these sites.

No**Q12**

RQ6. (INGO, Corporate) Have you supported Government Partners with their identification of high priority candidate sites for the potential nomination of the new Flyway Site Network? If yes, please provide details of your support and the associated sites.

Respondent skipped this question

Q13

RQ7. (Govt) How many additional Flyway Network Sites do you anticipate there will be in your country by 2025?

The number of expected new FNS

03

Page 5

Q14

RQ8. (Govt) Which Flyway Network Sites (FNS) in your country have a Management Plan and when is it due to be updated?

Tram Chim National Park. They have the Park Management Plan

Q15

RQ9. (Govt, INGO, IGO) Please provide examples of how the “Flyway Site Network” brand is being recognized.

Not yet

Q16

RQ10. (Govt, INGO, IGO) Have any public consultation processes been implemented when a site of international importance for migratory waterbirds could be adversely impacted by a proposed development? If yes, please provide brief details on the site/s and if the development was approved.

Yes,

Additional information::

There are regulations on environment impact assessment (EIA) by law in place. The current Environment Protection Law (2020) also stipulates on the protection of environment of natural heritages which are the national parks, protected areas and key biodiversity areas.

Q17

RQ11. (Govt, INGO, IGO) Please provide brief details on any sites of international importance for migratory waterbirds that may be adversely impacted by a proposed development and the assessment process that was used or is anticipated to be applied.

No

Q18

RQ12. (Govt, INGO) In your country, are there examples of local communities at Flyway Network sites that are dependent on the sites natural resources to support subsistence livelihoods? If yes, please provide details on the site/s and the use of natural resources.

Yes,

Additional information::

In Tram Chim Nation Park/Ramsar Site/EAAFP site has policy to enable the local people sustainably farming and bee honey under the canopy of Melaleuca forest.

Q19**No**

RQ13. (Govt, INGO, Sec.) Are you aware of any Flyway Network Sites or other sites of international importance for migratory waterbirds that are currently under threat? If yes, please provide details.

Q20**Respondent skipped this question**

RQ14. (Sec.) Please provide a list of new Partners since the last MoP (December 2018).

Page 6

Q21**No,**

RQ15. (Partners, TF/WG) Does your country/organisation have a CEPA Program addressing migratory waterbirds and internationally important sites for migratory waterbirds? If yes, please provide brief details of the program.

Additional information (website links if any)::

We expect to develop a CEPA Program in the coming time

Q22**Planned**

RQ16. (Partners, TF/WG) Has your country/organisation made use of the EAAFP CEPA Action Plan 2019-2024 when planning and implementing the CEPA activities?

Q23**Not applicable**

RQ17. (Govt, INGO, Corporate) What CEPA activities have taken place at Flyway Network Sites and with which groups? If applicable (under a Sister Site agreement), please describe what have you done and who have you worked with.

Q24**National and local governments,**

RQ18. (Partners) Has your country/organisation developed, and/or been implementing awareness-raising programs, particularly at Flyway Network Sites, with the following groups (check all that apply)?

Site managers,

Other (please specify):

We organized a national workshop to introduce on the EAAFP on 2018. We also disseminate the World Migratory Bird Day annually

Q25**No**

RQ19. (Partners) Has your country/organisation hosted events for World Migratory Bird Day, World Wetlands Day or other international awareness-raising events since the last MOP (December 2018)?

Q26**Website of your organization/group**

RQ20. (Partners, TF/WG) Has your organisation/group been engaging the public regularly through any media channels, including social media, to promote the conservation of migratory waterbirds and the wetlands they use? If yes, please specify the type of media channels by marking boxes that apply.

Q27

RQ21. (Govt, INGO, TF/WG) Has there been any training or capacity building delivered to stakeholders involved in the conservation of migratory birds and wetlands? If yes, please specify the audience/participants by marking the boxes that apply.

Site managers,

Additional information (please provide the number of events and participants, and describe any materials or other resources about the capacity building):

Anh Event sponsored by EAAFP Secretariat for Site Managers had been organized in Hanoi in 2018

Q28

RQ22. (Govt, INGO, TF/WG) Please add below if your country/organisation has any other information regarding CEPA to report.

Respondent skipped this question

Page 7

Q29

RQ23. (Govt) Is there a program in your country to monitor migratory waterbird numbers? If yes, please provide details on the program, the role of volunteer counters and the monitoring efforts since MoP10 (December 2018).

No

Q30

RQ24. (INGO) In what countries is your organisation involved in migratory waterbird and/or site monitoring (select all that apply)? Please provide details on the monitoring program(s) and monitoring efforts since MoP10 (December 2018).

Respondent skipped this question**Q31**

RQ25. (Govt, INGO, TF/WG, Sec.) Please report briefly on data management in relation to migratory waterbird population estimates, trends and distributions.

Viet Nam has the National Biodiversity Database System which intergrated data on the migratory waterbird, with other species.

Q32

Respondent skipped this question

RQ26. (Partners, TF/WG, Sec.) Please report on your contribution to the migratory waterbird Conservation Status Review.

Q33

Respondent skipped this question

RQ27. (Partners, Monitoring TF, Sec.) If you are aware of significant new information on internationally important sites for migratory waterbirds, please provide brief details.

Q34

Respondent skipped this question

RQ28. (Partners, TsC, TF/WG) Please provide details on key research on climate change impacts on migratory waterbirds and wetlands in the EAAF, published since MoP 10 (December 2018). (Please provide the web links if available online or reference for relevant publications)

Q35

Respondent skipped this question

RQ29. (Partners, TsC, TF/WG) Please provide brief information on areas of research programs since the last MoP (2018) about improving conservation and sustainable management outcomes at internationally important sites for migratory waterbirds.

Q36

Respondent skipped this question

RQ30. (Partners, TsC, TF/WG) Please give examples of how knowledge generated through research programs on improving conservation and sustainable management outcomes is being applied at internationally important sites for migratory waterbirds.

Q37

Respondent skipped this question

RQ31. (Partners, TsC, TF/WG) Please provide brief details on the development and application of best practice guidelines for waterbird and habitat conservation, including the application of traditional knowledge, published/made available since MoP10 (December 2018)?

Q38

Respondent skipped this question

RQ32. (Sec.) What are the best practice guidelines that are available on the EAAFP website?

<p>Q39</p> <p>RQ33. (Sec.) Please provide updates on identifying/developing internet-based approaches for capacity building for migratory waterbird conservation.</p>	<p>Respondent skipped this question</p>
<p>Q40</p> <p>RQ34. (Partners, TsC, TFWG, Sec.) Have you been involved in identifying/developing capacity building materials and opportunities? If yes, please provide some details.</p>	<p>Yes,</p> <p>Additional information::</p> <p>Training and workshops provided by EAAFP Secretariat</p>
<p>Q41</p> <p>RQ35. (Partners, TsC, TFWG, Sec.) Have you implemented activities to share skills building, tools and experience?</p>	<p>No</p>
<p>Q42</p> <p>RQ36. (Partners, TsC, TFWG, Sec.) Please provide feedback on the use you have made of capacity building materials and activities for migratory waterbirds and the management of their habitat?</p>	<p>Respondent skipped this question</p>
<p>Q43</p> <p>RQ37. (Partners, TsC, TFWG, Sec.) Have you considered a training needs assessment in projects you have developed, funded, and/or implemented since MoP10 (December 2018)? If yes, please provide some additional information.</p>	<p>Respondent skipped this question</p>
<p>Q44</p> <p>RQ38. (Partners, TsC, TFWG, Sec.) Have you used the EAAFP online technical training materials for Flyway Site management? Please provide some additional information on the usefulness of the materials.</p>	<p>Planned</p>
<p>Q45</p> <p>RQ39. (Partners, TsC, TFWG, Sec.) Have you been able to participate in any Meetings of Partner Focal Points? If yes, have any new collaborations with other Partners been developed from the meeting/s? Please provide details.</p>	<p>No</p>

Q46

RQ40. (Partners, TsC, TFWG, Sec.) Have you been able to prepare your Partner report for the MoP? Have you found any difficulties in producing your report?

One time for MOP 10. The key difficulty is that the lack of updated information and information sharing in the country.

Q47

RQ41. (Partners, TFWG) Please provide details you have on corporate engagement at internationally important sites and in programs to develop positive outcomes for migratory waterbirds and their habitats.

MONRE is willing to cooperate in ASEAN and other partners such as Birdlife International and other conservation organizations to better conserve migratory birds

Page 9

Q48

RQ42. (Partners, TFWG) Please provide brief details on your transboundary involvement in international collaborative initiatives for threatened migratory waterbirds.

Not applicable

Q49

Respondent skipped this question

RQ43. (Partners, TFWG) What do you consider to be the key innovative and/or improved approaches to the conservation of migratory waterbirds and their habitats since MoP10 (December 2018)?

Q50

Respondent skipped this question

RQ44. (INGO, TFWG, Sec.) Please provide information on the development of a list of threatened migratory waterbird populations in the EAAF in which you have been involved.

Q51

RQ45. (Govt) Which populations of threatened migratory waterbirds are protected under legislation in your country?

Not indicate specifically

Q52

RQ46. (Partners, TF/WG) Has your organization been involved in taking actions to reduce direct threats to migratory waterbirds? If yes, please provide some examples.

Yes,

Additional information::

The Prime Minister of the Government of Viet Nam has issued the Directives 04/CT-TTg 2022 on urgent solutions to conserve migratory wild birds in Vietnam. In the series of the law enforcement requests, This Directive orders all provincial authorities to direct the local authorities at all levels and law enforcement agencies to strengthen control, prevent and strictly handle acts of hunting, catching, trapping, slaughtering, transporting, trading, processing, illegal possession of wild, migratory birds; organize the complete destruction of markets, places for trading wild birds and illegal migration in the locality.

Q53

RQ47. (Partners, TF/WG) Please outline the contribution you have made to the development and implementation of Threatened Species Action Plans.

Respondent skipped this question

Q54

RQ48. (Partners, TF/WG) Has your organization been involved in any program(s) to assess changes in the status of populations of threatened waterbirds? If yes, please provide details.

No

Q55

RQ49. (Partners, TF/WG) What has been your involvement in the development and implementation of Regional Action Plans?

Respondent skipped this question

Q56

RQ50. (Govt, TF on Task Force on Illegal Hunting, Taking and Trade of Migratory Waterbirds) What mechanisms are in place to reduce and, as far as possible, eliminate, illegal hunting, take and trade of migratory waterbirds?

Planned

Q57

RQ51. (Govt) In your country, what are the current key national legislation and policy instruments that have provisions that cover the conservation of migratory waterbirds and their habitats?

Decree No. 66/2019/ND-CP on protection of wetlands;

Directives 04/CT-TTg 2022 on urgent solutions to conserve migratory wild birds in Vietnam

Decree No. 160/2013/ND-CP dated 12 November 2013 of the Government on criteria for species identification and species management regime on the List of endangered precious and rare species prioritized for protection;

Decree No. 64/2019/ND-CP dated July 16, 2019 of the Government amending Article 7 Decree No. 160/2013/ND-CP dated November 12, 2013 of the Government on criteria for species identification and the regime of management of species on the list of endangered precious and rare species prioritized for protection; Decree No. 06/2019/ND-CP dated January 22, 2019 of the Government on the management of endangered, precious and rare forest plants and animals and the implementation of the Convention on International Trade in Endangered Species of Animals. endangered wild plants,

Decree No. 84/2021/ND-CP dated September 22, 2021 of the Government amending and supplementing a number of articles of Decree No. 06/2019/ND-CP Guidance No. 13-HD/BTGTW dated July 19 in 2021 of the Central Committee for Propaganda on strengthening propaganda on the practice of not hunting, catching, transporting, slaughtering, consuming, storing, advertising, or infringing upon endangered and precious wild animals and plants, rare.

Q58

RQ52. (Govt) In your country, what are the current multilateral regional and bilateral agreements and other regional mechanisms that include provisions on the conservation of migratory waterbirds and their habitats?

The EAAFP

Q59

Respondent skipped this question

RQ53. (Partners, TF/WG) Please provide any suggestions you have on how existing multilateral regional and bilateral agreements, and other regional mechanisms, could be strengthened to deliver better outcomes for migratory waterbirds.
